OVERLAPS

Front-woman Gloria Piccinin isn't just a standout; she's a sonic whirlwind, fusing soulful and delicate tones with a voice that can rip through the air with raw power and electrifying intensity. Alongside guitarist Marco Marinato, she drives the creative vision of OVERLAPS. They're backed by the relentless grooves of bassist Stefano Galioto and the thunderous rhythms of drummer Stefano Guglielmo, the backbone of their live shows. Gloria pens the lyrics and melodies, which Marco masterfully shapes into dynamic alt-rock anthems. They've perfected a killer blend of rock grit and alt-pop energy.
